## PROFILE

Creative and passionate concept artist and designer with a strong foundation in both digital and traditional art. Skilled in visual storytelling, I have expertise in various techniques, including clay sculpture and 3D modeling, and proficiency in software like Photoshop, Blender, ZBrush, and Illustrator. Dedicated to pushing the boundaries of creativity while delivering unique and effective designs.

### **EXPERIENCE**

- Freelance artist June 2021 - Now
  - Collaborated directly with clients to create compelling visual designs and art. Mainteining effective communication and meeting deadlines.
- Developed concepts from initial research and sketches to final 2D art, ensuring high-quality results.
- Worked closely with other artists and designers in team-based projects, ensuaring a healthy team work and areat results.
- Utilized digital and traditional art skills to achieve better workflow and clients needs.

# **EDUCATION**

Bachelor of Design, PUCPR, Curitiba - Brazil. March 2021 - November 2024
